Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Monday 10 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Breezy with sunshine and showers.

This Evening and Tonight:
Showers dying out for most, particularly in the east with good clear spells here. Some more persistent rain running across west Scotland overnight. Turning chilly inland, perhaps with a rural ground frost for some.

Tuesday:
Sunshine and showers for many, though southeast England may see fewer of these than on Monday. Northern Ireland and much of Scotland mostly dry - at least until later.

Outlook for Wednesday to Friday:
Sunny spells and showers, these heavy and thundery at times. Spell of more prolonged, heavy rain likely to affect central and southern areas later Wednesday and at first on Thursday.
